

**Versions:**

250AL – 3-seater with bed

230AL – 2-seater with bed

**Structure:** poplar, multilayer and plywood covered with polyurethane foam. Elastic webbing for seat support.

**Seat padding:** Ecological polyurethane foam covered with mollapiuma layer.

**Armrest:** Ecological polyurethane foam covered with 100% polyester padding.  
NOTE: armrests in Bellini model can be easily detached from the structure.

**Removability:** seat cushion covering is completely removable.

**Sewing:** cuts and sewings may vary on fabric coverings.

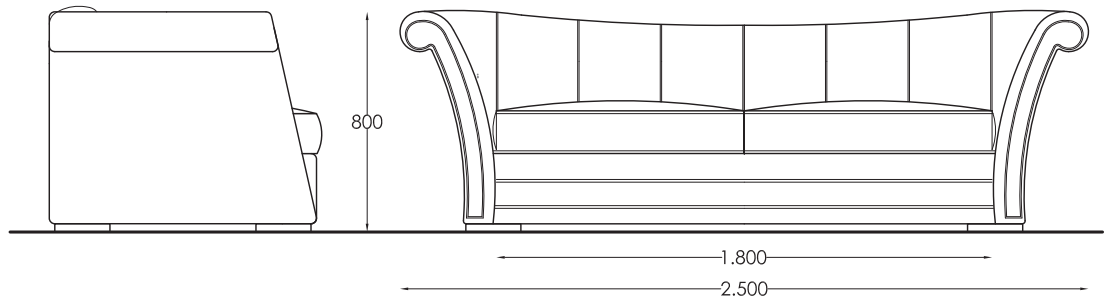

**Bed mechanism:** available with two-time opening welded steel mechanism Daunia Mini 13 (Italy) and spring mattress. Mattress size: version 250AL = 160 x 190 x 10 cm, 230AL = 140 x 190 x 10 cm. The size of the mattress may vary slightly because of the arrangement and characteristics of the material, without affecting the quality of the product. Seat cushions are fixed to the structure when the mechanism is open. The total depth of the model with open bed is 209 cm.

**Feet:** The model is equipped with metal hidden feet 4 cm high with plastic support. Some versions may be equipped with additional hidden feet with a supporting structural function.

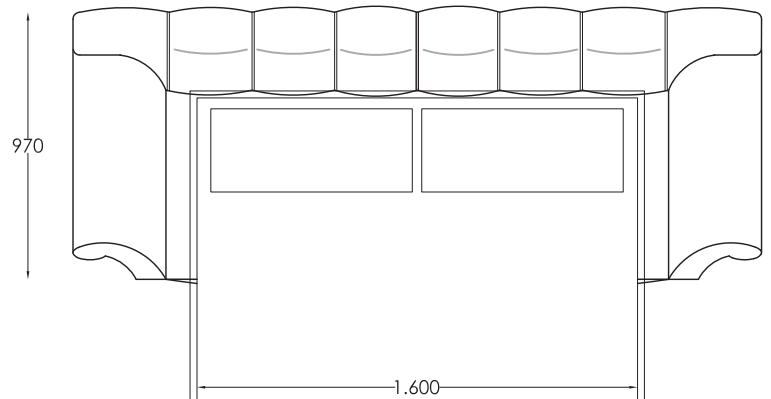

**Décor:** model is decorated with piping that is located on the base, armrests, seat and back paddings. Back padding piping can be made of cord only. Base and seat cushion piping can be made of fabric only. Armrest piping can be made of both: fabric and cord.

**Additionally:** each version is equipped with 4 pillows. C104 with fringe – 50 x 50 cm (100% polyester filling) – 2 pillows, C109 with piping – 45 x 45 cm (100% polyester filling) – 2 pillows.
